**Per\$onal Finance and \$mall/Micro Bus\$ine\$\$**- Greg Stager

A wise person once said "If you fail to plan you plan to fail." The Bible has a lot to say about our personal finances and commitment to stewardship. How big should your piggy bank be to hold all your money? How much money should you give away so that others in third world countries can raise pigs? What about debit cards and credit cards? Should I buy a car cash or finance it? Oh.....and then there's cell phones and college?? What is a micro business anyways? Is it a big company that sells small stuff or a small company that sells big stuff? If nothing else, sign up for this class so that you can figure out how to get a bit more pocket change.
