Fall 2020 Academy Day Classes

Nursery

10:00am- Heather Vargas

11:00am- Gaby Sagrero

A class where our littlest ones are nurtured and loved!

Preschool

10:00am & 11:00am- Carmen Gutierrez & Carla Vasquez

A fun, stimulating and supportive first group experience for your preschool aged child. They will "learn while playing" through free play, planned lessons and structured activities including reading, music and crafts.

K-2nd Grade

10:00am

The Art of God- Judy Lavoie

In this class we will discover through art, all of nature that God gives us! Express yourselves by touching, learning and exploring... from the ocean shore, all the way up to the stars and the moon! We will be using various media and techniques as the Art of God is revealed!

OR

Goofy School Games- Amy Kheng

Get the wiggles out in Q-Tip wars, Newspaper Games, Sleeping Lions, Newspaper Animals, King Elephant, Catch the Teacher, Chariot Races, Sticky Forehead, and as many other games as we can pack into an hour! (Don't let your kids know that many of these games will be "educational"!)

11:00am

Nature Studies- Laura Mohberg

Come to know God through his Word and world! This is a nature study class based on what we find in our own church yard! Class will start with movement and stretching with lots of breathing to relax and prepare the mind for class. There will be games and activities such as scavenger hunts and nature exercises, and we will end class with free play having learned and engaged in nature using both parts of the brain!

OR

Busy Little Newtons- Carolyn Jerry

A little science. A little silliness. Learning disguised as playtime! We'll practice teamwork and cooperation while we learn about plants, gravity, rainbows, the water cycle and more!

3rd-5th Grade

10:00am- *ALL

Fit Factory- Jordan Dauer

This is not your traditional PE class! Join Ms. Jordi, youth fitness instructor and health coach, in this fun class where we will get our gears turning again! We'll become more fit and healthy playing some of the most creative and fun outdoor games!

11:00am-

Audio Escape- Maureen Blada

Each week in this class we will listen to one chapter (audio version) of *The Door in the Dragon's Throat* by Frank E. Peretti narrated by the author himself. Throughout this book we will discuss the topic of fear and see God's great provision for his children.

OR

Outdoor Maker Lab- Tracey Nadeau

Join us in this hands-on science class! We will be using everyday materials and the great outdoors to build, invent and create awesome science themed projects!

6th-8th Grade

Journalism – Susan Truman and Nina Galanti

This year's Journalism class will include instruction and hands-on experience in producing our school's Spotlight newsletter, Instagram account, and yearbook. By the completion of the class, students will have received instruction in the basics of visual communication, photography, design, interviewing skills, and journalistic writing. They will have had substantial experience worthy of inclusion on a resume or college application. Class time will involve considerable group work and students will be expected to actively participate. High school credits may be earned. Bringing a laptop and/or digital camera is strongly recommended.

11:00am-

Journalism– Susan Truman and Nina Galanti
