1. STANDARDS OF PURPOSE AND BELIEF

1.1 PURPOSE

Coastal Academy is a non-profit educational ministry, which exists to support evangelical Christian families in their choice to educate their children at home. Coastal Academy is committed to providing such services as:

- Personal Support for Parent-Teachers
- Academic Records and Accountability
- Group Educational Activities
- Assistance with Curriculum Development
- Educational Training for Parent-Teachers
- Social Interaction among Students

Above all, our desire is to glorify God as we encourage His people.

1.2 OVERSIGHT

The Board of Directors of Coastal Academy shall consist of nine members. The Board of Directors of Coastal Academy shall appoint the Coastal Academy Director, Treasurer, Secretary, Record Keeper, and High School Advisor. The Director, Treasurer, Secretary, Record Keeper, and High School Advisor will serve in their respective positions under the employ of the Board of Directors of Coastal Academy. The remaining four members of the Board of Directors shall be appointed by the Board of Directors. Appointed Board members shall serve for two-year terms of office, with terms staggered so that no more than two appointed board members complete their terms in the same year. Coastal Academy members will be appointed to four specific Board positions as follows: Academy Day Class Coordinator, Teacher's Aide Coordinator, Parent Liaison, and Services Coordinator.

2. STATEMENT OF FAITH

Families enrolled in Coastal Academy's program are asked to affirm the following Statement of Faith, which summarizes the most fundamental beliefs of the church:

The Bible is the inspired and infallible Word of God and constitutes completed and final revelation. The Bible, in its original autograph, is without error in whole and in part including theological concepts as well as geographical and historical details.

God has existed from all eternity in three persons: God the Father, God the Son, and God the Holy Spirit. Jesus Christ was God in human flesh being fully God and fully man except without sin.

All men are in violation of God's righteous requirements and His holy character both by nature and act; and are therefore under His wrath and just condemnation. The central purpose for the coming of Jesus Christ was to pay the penalty for man's sin through His substitutionary death on the cross—the successful accomplishment of which was attested to by His subsequent visible, bodily resurrection.

Salvation is offered as a gift; free to the sinner. This gift must be responded to in individual faith, and not trusting in any personal works whatsoever, but the sacrificial death of Jesus Christ.

3. EDUCATIONAL PHILOSOPHY

3.1 THE TASK

According to the Scriptures, the primary responsibility for the educational development of children rests not upon the state or the church, but upon the parents (Deut. 6:4-9; Psalms 127:3-5; Eph. 6:1-4). In areas where parents lack necessary competence to fulfill this responsibility, they are responsible before God to gain the needed skills or to delegate aspects of their educational responsibility to individuals or organizations, which are to assist them in carrying out their God-given task.

3.2 THE PROCESS

In order to be most effective, Christian education must be carefully conceived and diligently implemented. When carried out in the context of the home, this educational process has the distinct advantages of allowing a more creative use of all the available resources for learning, increased flexibility of scheduling and greater individualized instruction than is available in the classroom. Additionally, personalized parental instruction enables students not only to grasp facts, but also to adopt the values and worldview of their parents.

3.3 THE STUDENT

Created in the image of God, each student is a unified personality consisting of spiritual, social, and physical aspects. As spiritual, the student is responsible to learn, understand and obey the truth of God's Word and the laws of His creation. As social, the student stands in relationship with others, having moral, intellectual and emotional responsibilities and needs. As physical, the student requires proper rest, nutrition, and exercise to fully function as God intends.

Because of the fallen nature of the human condition, students are unable to clearly understand God's commandments apart from the renewing work of salvation. Thus each student needs continuously to be called to repentance and faith in the Lord Jesus Christ that he or she might be forgiven, restored to a right relationship with God, renewed in his or her relationship with others, and awakened in his or her understanding of the world which God has made.

3.4 THE CURRICULUM

Curriculum is the organizing medium by which the student, through the educational process, becomes properly oriented to God, to others and to the world for effective living. While Coastal Academy provides assistance in choosing curriculum materials, it does not endorse any one particular curriculum, leaving that responsibility to the parent-teacher. It may be purchased from a reputable supplier, parent-designed, or a combination of both. A properly balanced curriculum should include the following subject areas: Bible, Language Arts, Mathematics, Science, Social Studies, Physical Education, Health, Foreign Language, and Fine Arts and comply with California Department of Education Codes 51210 (K-6th) and 51220 (7th – 12th.) See <https://www.cde.ca.gov/sp/ps/psaffedcode.asp>.

While the curriculum may ordinarily be the primary means utilized by the parent-teacher in education, effective learning can and should take place in a variety of environments, using a variety of methods.

3.5 THE BIBLE

As God's infallible standard of living, the Bible's teaching should not only be included in the student's course content, but should furnish the philosophical foundation and framework for the study of every subject. Education which is truly Christian sees the truth of God in every fact of the universe and seeks to correlate that truth as discovered in creation with truth revealed in the Word of God. The Bible and Christian training should not only be included in the course content, but should furnish the orientation and philosophical framework for the study of every subject.

4. CODE OF CONDUCT

We expect our parents and students to follow the Coastal Code of Conduct whenever they participate in any Coastal Academy programs, events, field trips, or activities. Parents are responsible for making sure their children know and understand these rules in addition to abiding by them themselves.

1. Have respect for authority figures at all Coastal Academy functions, whether that is the person in charge of a field trip, a tour guide on an event, the leader of a game at park day, etc. (I Peter 2:13-17; Romans 13:1)
2. Have an attitude of compassion for the differences, needs, or disabilities of others. (Parents, teach children not to be cruel to people who are different from themselves.) (Matthew 7:12; James 2:1-9; Galatians 5:22-23)
3. Act and speak in a manner worthy of the God who calls you. Unkind remarks, profanity, coarse jokes, conversation involving occult or sexual situations or other language unbecoming of a Christian is unacceptable at school functions. Also, avoid knowingly wearing gang symbols or colors. (I Thessalonians 2:12; Ephesians 4:1; 5:4)
4. Even though you may not have a problem with certain behaviors or actions within your family, if something may be offensive to someone else, don't do it! Respect the property and landscape of our host church and those places we are visiting. (Parents, teach children about refraining from some things in a group setting that may be allowed at home. In this category, we include things as simple as climbing trees or fences on someone else's property as well as language or joking that may offend.) (I Corinthians 8:7-13; Philippians 2:3-4; Romans 12:17b)
5. Come to school functions prepared to listen attentively with an attitude of learning. Headphones or other distracting articles or behavior should be avoided. (James 3:13)
6. The use of alcoholic beverages or tobacco products (including e-cigarettes, vape pens, or any simulated smoking product whether using a nicotine laced product or not.), or the possession or use of weapons or illegal drugs are not permitted during any Coastal Academy functions. Noncompliance with this item will result in expulsion. (Matthew 5:16; Galatians 5:19-21)
7. Wholesome friendships are encouraged between boys and girls. Students should look upon one another as brothers and sisters in Christ and refrain from demonstrating personal affection.
8. Students are to reflect a cooperative and cheerful attitude in all that they do. Excessive complaining or whining as well as refusal to cooperate in school functions shall be grounds for disciplinary action.

5. ACADEMY DAY PROGRAM

5.1 DEFINITION

Academy Day is an optional, cooperative aspect of Coastal Academy's Independent Study Program, designed to provide added enrichment to your homeschooling experience through group activities with other like-minded parents and children. For the children, Academy Day provides group educational activities and opportunities for social interaction. For the parents, Academy Day is a source of mutual support, training and information. As a cooperative effort, Academy Day depends on the combined effort of all enrolled families. Each participating family is asked to fulfill a specific Academy Day task each semester.

Academy Day is held at Baycities Community Church-Lomita, Lomita, CA 90717, typically on the first and third Friday of each month, from September through June. Two semesters consisting of eight Academy Days each (or nine depending on holiday dates) are held during the school year.

A variety of elective classes are offered each semester, which gives students choices in their Academy Day participation. Nursery services and pre-school activities are provided during all class hours. Training and other activities for parent-teachers are offered simultaneously with children's activities. Coastal welcomes creative suggestions from our parent-teachers for future electives and training topics.

5.2 ACADEMY DAY GUIDELINES

1. Children or parents with infectious diseases such as cold or flu, or who show symptoms such as coughing, runny nose, or fever should not attend Academy Day.
2. If the parent should be unable to attend Academy Day, children may not be dropped off unsupervised. With prior Board approval, children may be brought by an adult substitute who has agreed to fulfill the parent's Academy Day function on behalf of the parent. A completed Parental Absence Form and Background Check must be submitted in this case if one is not currently on file for the year.
3. Each family is required to donate one hour of their time during each Academy Day.
4. Children not in class must be under the immediate supervision of an adult at all times.
5. Children's behavior must conform at all times to the Code of Conduct contained in the Coastal Academy Discipline Policy.

5.3 FINGERPRINTING

To comply with California Department of Education requirements, each adult who regularly attends Academy Day needs to submit a set of fingerprints to the Department of Justice when they begin participation in our Academy Day program. This is to protect the security of our students. Parents should obtain the proper form from the school office and complete their Live Scan no later than one month after enrollment. This only needs to be completed one time regardless of how long the family is enrolled with Coastal Academy.

5.4 DISCIPLINE POLICY

In order to provide a safe and orderly Academy Day program for Coastal families, the following disciplinary policies and procedures should be carefully read by each enrolling parent, reviewed with each student and signed by both parents prior to enrollment. Refusal to cooperate with the Code of Conduct shall be grounds for disciplinary action.

5.5 STANDARDS OF CONDUCT

As teachers and students of Coastal Academy, we represent our school, the home educating community, and, most importantly, our Lord Jesus Christ to those around us. In recognition of that, we should behave in a manner consistent with the instruction presented in God's Word.

It is often uncomfortable for the adult in charge of an event to discipline someone else's child. With that in mind, we present these guidelines. Please teach your children the appropriate behavior and attitudes for compliance as well as telling them that the adult in charge of the activity has been delegated by the school (and you) to speak to them about inappropriate behavior.

5.6 PROCEDURES FOR DISCIPLINE

1. Serious violations of the Codes of Conduct (both the Parent's Code of Conduct and the Student's Code of Conduct), which threaten the safety of others, the safety of church property, or which seriously disrupt the classroom will be dealt with immediately according to the fourth disciplinary procedure below (Matthew 18:15-17).

2. Anyone committing less serious violations will first be issued a warning, specifying the Code of Conduct which they have violated, and informed then that continuation of the behavior will lead to discipline that is more serious.
3. Students who continue less serious violations after being warned will be instructed to take a five minute "time out" period in a corner of the room away from other pupils. A warning concerning more serious disciplinary action may be taken at that time.
4. Students who persist in violating the Code of Conduct during or after their "time out" period, or who violate the Code of Conduct in a serious manner, will be escorted by the Director to their parent or guardian. The problem will be discussed with the parent or guardian and the student will remain under the supervision of the parent or guardian for the duration of the class period. Re-admittance to a later Academy Day classroom session will be allowed only under the condition that the student promises cooperation with the Code of Conduct.
5. If any disciplinary action described above is repeated on the same or a consecutive Academy Day, a conference between all those involved - the parent, the student, the Academy Director, and the teacher shall be held to attempt to alleviate the behavior. Should the conference fail to solve the problem, the student (or family) may be subject to dismissal from the Academy Day program.

5.7 CHILD CARE

To enable parents to give their attention to the training and fellowship opportunities offered by Coastal Academy, childcare services will be offered on a cooperative basis. Each parent not involved as a teacher is asked to provide periodic childcare as scheduled.

The following guidelines will apply to childcare in the nursery:

1. Plan to arrive in the nursery a few minutes early.
2. Children with infectious diseases such as cold or flu, or who show symptoms such as coughing, runny nose or fever, should not be placed in the nursery or exposed to other children.
3. Upon arrival at the nursery, parents should sign their children in on the clipboard provided. All diaper bags, bottles, and other personal belongings should be labeled with the child's name.
4. Children must never be left unattended in the nursery for any reason. Children's activity should be closely monitored at all times. Nursery doors and gates should be kept secured.
5. In case of injury, a first aid kit is located in the school office. All injuries should be promptly reported to a child's parent.
6. For suggested activities to use with toddlers consult with our Academy Day Class Coordinator.
7. Books, puzzles and toys with many parts should be taken out one at a time (or a few at a time) and should be returned to their proper places before selecting other toys. Care should be taken that those small parts and pieces do not get lost.
8. Children eating snacks should sit at the tables provided and should clean up promptly afterwards. Trash from food should be removed from the church nursery to avoid ants and other pests.
9. The diaper area should be kept clean and fresh. Soiled diapers should be placed in a plastic bag before throwing them away.
10. Cleaning up is the responsibility of the parent as well as any nursery attendant on duty. At the close of the hour, parents should assist children in putting toys away in their proper place. The counter tops should be kept clean and free of debris at all times.

6. ACADEMIC SERVICES

6.1 CUMULATIVE FILE

To assist in educational accountability and to meet state requirements as a private school, Coastal Academy holds a cumulative academic file on each enrolled child. The file includes the child's health and immunization forms, attendance records, annual course of study, semester progress reports, quarterly report cards, ISEP/IEP forms and documents, Student Code of Conduct, Semester Transcripts, High School Planning Worksheet, and academic test scores. Each family also has a family file that holds signed forms such as the Statement of Faith, Discipline Policy, IEP Policy Form, Educational Background of Teachers, Verification Of Church Attendance, HSLDA membership, Yearly Membership Agreement and Reporting Commitments. To keep the child's academic file up-to-date, each family is asked to sign, at enrollment, a commitment to submit academic records in a timely manner as specified in this handbook.

6.2 RECORDS AND RETENTION POLICY

Coastal Academy maintains all records that parents submit in respective student and family files. Upon 8th-grade graduation (or transfer), Coastal Academy will retain 4th-quarter report cards, immunization records, birth certificates, standardized test scores, and copies of diplomas. All other documents will be returned to the parents. Upon 12th-grade graduation (or transfer), Coastal Academy will retain official high school transcripts, copies of high school diplomas, standardized high school test scores, immunization records, and birth certificates. All other documents will be returned to the parents. Three years after 12th-grade graduation (or anticipated graduation date for transfers), Coastal Academy will scan all documents into our permanent electronic file storage system and shred all hard copies.

1. Family Recommendations

California is a low-regulation state and does not mandate what records should be kept for elementary and middle school students. There are, however, different guidelines for high school students. Additionally, keeping at least some records, like those itemized below, is essential if you ever need to provide documentation to a government agency.

2. 1st-8th grade

Records: It is recommended that families keep the following records: report cards, progress reports, courses of study, work samples (workbooks, notebooks, reports, projects, etc.), standardized test scores, birth certificates, immunization records, IEPs/ISEPs, official school correspondence, and parent-teacher training records. Other items can be kept in addition to these documents. See article on HSLDA's website: <https://hsllda.org/post/types-of-homeschool-record>.

Retention: Records should be retained on a 3-year cycle that includes the current year plus 2 years prior, i.e. records for a 5th-grade student should include documents from 3rd grade onward. HSLDA recommends keeping standardized test scores and official school correspondence permanently.

3. High School

Records: Since documentation is vital to college acceptance, scholarship awards, and sports qualifications, it is highly recommended that families keep the following records: attendance records, semester and official transcripts, course descriptions and grading standards, report cards and syllabuses from online or outside classes, work samples (workbooks, notebooks, reports, projects, etc.), standardized test scores, immunization records, IEPs/ISEPs, official school correspondence, and parent-teacher training records. For more details see article on HSLDA's website: <https://hsllda.org/post/the-essentials-of-high-school-recordkeeping>.

Retention: Records should be retained until after your child graduates (or enters college). HSLDA recommends keeping semester transcripts, official transcripts, standardized test scores, diplomas, college entrance test scores, birth certificates, and immunization records permanently.

6.3 CURRICULUM ASSISTANCE

The Record Keeper and High School Advisor will be available to provide curriculum guidance for any families needing assistance in the development of their educational curriculum. Coastal also offers a collection of helpful resources to assist in making curriculum choices. Coastal does not endorse any one particular curriculum for all families. Nevertheless, the choice of curriculum is an extremely important one. The following guidelines are offered as preliminary considerations in making your decision:

1. Take advantage of curriculum workshops, seminars, and conventions, which offer information on various types of curriculum material.
2. Talk to other parents with children the same age as yours. Sample the materials they are using in their home school.
3. Use books and materials as tools and expand upon your curriculum as needed. Do not feel confined by your curriculum, but supplement it to meet the needs of your child.
4. Weigh the relative strengths and weaknesses of each child. Become aware of how each of your children learns, and adapt the curriculum and teaching methods accordingly. This may not affect substantially the subject matter you teach, but it may change the method and materials employed in teaching.
5. If you have more than one child, consider experimenting with integrating various age groups when teaching certain subjects, such as history, geography, science and Bible. Curriculum materials offering this age-integrated approach are readily available.
6. If your curriculum is not working, do not be afraid to make some changes. An important advantage of home education is the flexibility you have in tailoring curriculum to the needs of your child.
7. At the same time, realize that no curriculum is perfect. Your personalized instruction can make up for a host of shortcomings that might exist in your particular curriculum. Recognize that no curriculum can make your educational task effortless.
8. Most importantly, pray for God's wisdom in choosing the curriculum. God promises to grant wisdom if we ask in faith. (James 1:5)

7. ACADEMIC REPORTING

To help gauge your progress in fulfilling your educational goals, the following reports should be submitted to the Record Keeper on the appropriate record keeping due date (check school calendar). Families schooling during the summer must also submit summer reports.

7.1 ELEMENTARY AND MIDDLE SCHOOL RECORDS

1. **COURSE OF STUDY:** Your intended Course of Study for the year will demonstrate that you have given serious thought to planning your child's education for the coming year. Your plan should take into consideration the subject areas listed in the Educational Philosophy statement above. The information on this form should include the names and publishers of all textbooks, all other curriculum to be used, grade level of each curriculum used in each subject, and a general description of topics to be covered in each subject. The Record Keeper will review your Course of Study and may make suggestions for revision before approval.
2. **PROGRESS REPORT:** This form records the parent-teacher's assessment of each student's progress in the various areas of study included in the Course of Study. It also states the actual work that was completed (ex: ABeka Math Grade 3 Lesson 1-60.) This can be as detailed as the parent-teacher deems necessary. It is submitted with the second & fourth quarter report cards. (check school calendar for appropriate dates).

3. **REPORT CARDS:** Every quarter the parent-teacher will also be asked to submit a report card in which student progress in the various subject areas is measured in letter grades or alternative types of objective scoring. Attendance record is included on this form.

Members with delinquent records will not be eligible for re-enrollment in the coming semester and will be subject to a late fee. Members with delinquent records beyond six weeks will be subject to dismissal.

7.2 HIGH SCHOOL RECORDS

The academic records that Coastal Academy requires for high school students are significantly different from those for elementary students.

1. **HIGH SCHOOL PLANNING WORKSHEET** – This worksheet must be completed at the beginning of a student's enrollment with Coastal Academy or when a student enters ninth grade. On this form, you will list the intended courses that a student will take during his/her entire four years of high school (or his/her remaining years.) Unless major changes are made to your student's course of study, this form is only submitted one time.
2. **COURSE DESCRIPTION/GRADING STANDARD FORM** – This is a record of the content and materials that will be used in each specific course your student takes and the grading system that will be implemented. It is turned in at the beginning of each school year or semester.
3. **SEMESTER TRANSCRIPT** – This is your student's report card and is due at the end of each semester in February and June.
4. **ATTENDANCE RECORD** – This form is a record of days present, absent, and school holidays. It is due at the end of each semester in February and June.

These forms and information on how to fill them out are available in the *Coastal Academy High School Manual*. In addition, we recommend that families with high school students purchase a copy of Mary Schofield's *The High School Handbook*. This is an invaluable resource; and with the *Coastal Academy High School Manual* will answer most of your questions about homeschooling high school students. The High School Advisor will review your forms and may make suggestions for revision before approval.

If you are enrolling your student for the beginning of the new school year:

The High School Planning Worksheet, Course Description/ Grading Standards forms are due at Back to School Night . The Semester Transcript and Attendance Record are due at the end of each semester.

If you are enrolling your student in Coastal Academy during the school year:

You must bring a copy of your student's current high school transcript to the interview. This can be a copy of report cards or a list of courses taken, grades, and credits earned. We will request an official transcript from the school your student is currently enrolled in when the records are transferred. The High School Planning Worksheet, Course Description/ Grading Standards forms are due no later than two weeks after enrollment begins. The Semester Transcript and Attendance Record are due at the end of each semester.

To receive a high school diploma from Coastal Academy, a student must pass the courses required by the state of California, complete at least 240 credits and pass the HiSet (High School Equivalency Test) or receive a 10.0 or better score on the IOWA Assessments Test. If you have any questions about our forms or general questions about high school that are not answered here or in the *Coastal High School Manual*, please contact the High School Advisor.

7.3 IEP/ISEP SPECIAL NEEDS POLICY

Following the IDEA Act of 1997, it is highly recommended that any child who is working academically two or more years below their grade level in any subject have an Individualized Education Plan (IEP).

Lion & Lamb Publications has designed a plan called the Individualized Student Education Plan (ISEP) for homeschooled students. The booklet includes all necessary forms, detailed samples and instructions along with a list of resources. Coastal Academy has a copy for viewing purposes.

To accurately assess the child's needs, testing for those students needing an IEP/ISEP is available. An excellent resource is Marian Soderholm, MA at MCA Educational Assessment Services (562) 425-7886. Another resource is the Brigance Test, which can be administered by the parent at home. Parents may also evaluate their own children. Copies of test results are required for the student's cumulative file.

It is the parents' responsibility to inform Coastal Academy if any of their children are working at two or more years below their grade level in any subject. Parents not meeting their child's special needs could be charged with educational neglect.

7.4 STANDARDIZED TESTING

While no means of measuring educational achievement is perfect, standardized testing is one objective means of gauging your child's progress in learning. Both the Stanford Achievement Test and the IOWA Assessments Test can be ordered through Bob Jones University. It is the parent's responsibility to find a qualified test administrator. Coastal Academy does provide an opportunity for 6th-8th grade students to take the test each year in the spring and 9th – 12th grade students to take the test each year in the fall and spring. Standardized testing is not a requirement for enrollment at Coastal Academy, but it is highly recommended that families with children in the fourth grade or above test at least every third year.

8. SUPPORT SERVICES

8.1 FIELD TRIPS

Field trips will be planned throughout the year to enhance the children's educational experience. Specific details regarding upcoming events will be announced in the school newsletter. During field trips, each parent is responsible for the close supervision of their own children. The standard for behavior for any public activity is guided by the following Scripture admonition: "Now this is our boast. Our conscience testifies that we have conducted ourselves in the world, and especially in our relations with you, in the holiness and sincerity that are from God." (2 Corinthians 1:12) Parents should keep in mind that as we live before the watching world, we represent not only Coastal Academy but also the entire homeschooling movement. Most importantly, we represent our Lord Jesus Christ.

1. Only Coastal Academy families are allowed on Coastal field trips. Parents must accompany their children on field trips. In the event of an emergency, a student may attend a field trip with another Coastal Academy family if they have completed the "Parental Absence Form." Any student who is not accompanied by their parent will not be covered by the Coastal Academy insurance policy.
2. Payment for field trips is required prior to the trip. Refunds will only be issued if cancellations are made prior to the appropriate deadline.
3. When a field trip has an age limit, it must be adhered to. Most of the time, the organization or tour guides set the limit.
4. Signing up for a field trip is on a first come, first served basis. If the field trip is full, you may place your name on a waiting list in the event that a space becomes available.
5. After the sign up deadline, the field trip will be closed for signups. If your payment is not in by the deadline, your name will be removed under assumption that you will not be attending.
6. Record Keeping families need to coordinate payments with the field trip coordinator by the field trip deadline.

8.2 PROMOTION OF EVENTS

Coastal's channels of communication (ie. emails, texts, social media, distribution of flyers) are to be reserved for official Coastal business.

Occasionally, outside activities may be promoted if they support our charter of providing home-based Christian academic programming (ie. Christian tutoring services, extra curricular activities that are focused on Christian youth, and church based activities.)

Coastal's channels of communication should not be used for the promotion of personal business endeavors or secular activities.

8.3 GRADUATION

In June, Coastal holds its annual Graduation ceremonies. We graduate our Kindergarten, fifth, eighth, and twelfth grade classes. A reception is held following the ceremonies. This is a special time to invite family and friends to share in the excitement of homeschooling.

8.4 MAILING POLICY

Only items directly pertaining to Coastal Academy and Coastal sponsored events may be mailed out to enrolled members.

8.5 ELECTRONIC COMMUNICATION

To keep Coastal families advised of record due dates, upcoming events, legislative concerns, or prayer needs that arise between Academy Days, various methods of electronic communication (email, texting, social media) will be used to enable the Coastal community to keep in touch. It is your responsibility to give us a current email address and phone number and update us if your email address or phone number changes so you will receive this important information. You are responsible for any information sent to you via email. A voluntary group texting service is available to help in providing you timely information regarding school activities.

8.6 NEWSLETTER

The main Coastal Academy newsletter will be sent out via email close to the beginning of each month to provide timely information regarding Academy Day events, special park days, field trip information, parent meetings, training opportunities, due dates of all records and much more. You are responsible for any information sent to you in the newsletter.

An additional newsletter may be distributed mid-month featuring special interest articles. Academy members (parent or child) are invited to submit articles, prose, poetry, book reviews, or essays for this newsletter.

8.7 PARENT'S NIGHT OUT

Parents will occasionally get together for fellowship, fun, and learning activities in various homes and other locations to be announced in the newsletter.

8.8 SCHOOL PICTURES

In the fall of each school year, Coastal Academy offers school pictures for enrolled families. These pictures are used in the student's academic cumulative files in addition to the yearbook. Individual and family pictures are available at reasonable rates. Teacher and student identification cards are also available. A spring picture day will be arranged for families who are new to Coastal and enrolled after this

date. For graduating seniors, a separate photo shoot will be scheduled that will include individual cap and gown and class/group shots.

8.9 MEMBERSHIP DIRECTORY

At the beginning of each semester, a phone directory is published listing all the members, their phone numbers, email addresses and names and grades of their children. This information is confidential and is for members only. Information may not be shared with anyone outside of Coastal Academy without the permission of the person or persons involved. No member may use our directory to solicit business or for fundraising or political purposes. Email addresses may not be added to group email messages without the express permission of the individual.

8.10 COASTAL WEBSITE

The Coastal Academy website features a portion for prospective families describing our program and providing enrollment procedure information in addition to a members-only portion of the site that has the school calendar, forms, class descriptions, and information for our enrolled members. Elementary and high school forms can be downloaded from the website.

8.11 SPECIAL EVENTS

Coastal sponsors special events that are open to all members including but not limited to: Fall Family Fun Fest, the Coastal Showcase (an art fair/science fair/talent show/cake decorating contest/silent auction), teen social events, prom and other dances, Christmas Craft Faire, and a Curriculum Review or Sale.

9. TRAINING

Parents involved in homeschooling need to be both good parents and teachers. For that reason, Coastal Academy offers, and participates in, excellent training opportunities, which equip parent-teachers to be more effective in the task God has called them.

9.1 PARENT-TEACHER TRAINING

To ensure adequate levels of competence to fulfill the responsibility of homeschooling, a minimum of six hours of training per school year are required for each parent-teacher with students enrolled at Coastal Academy. Comparable training may be considered by the Record Keeper as fulfilling applicable requirements upon review of the notes taken during these training courses. Within the first three years of enrollment, a minimum of 18 hours of Parent-Teacher Training must be taken in the three areas covered by the core curriculum listed below.

The core curriculum training hours should be distributed as follows:

Core Curriculum:

- Six hours in the Parenting Emphasis
- Four hours in the Child Development Emphasis
- Eight hours in the Teaching Emphasis

After completion of the core curriculum, parent-teachers may choose their six hours annual mandatory training from the elective courses offered each semester. A Parent-Teacher Training form documenting six hours of training must be filled out and turned in at the end of each school year.

9.2 LOCAL SEMINARS

In addition to the training offered on Academy Days, Coastal Academy strongly encourages participation in homeschooling seminars and workshops held throughout the greater Los Angeles area. The most notable is the CHEA (Christian Home Educators Association) Convention, a statewide annual conference featuring a host of speakers on a wealth of topics of interest to homeschooling families. The conference also provides a massive exhibit of resources, curriculum and ideas for your homeschool. This is a homeschooler's paradise not to be missed. Other local conferences and speakers may be offered independently and in cooperation with other homeschooling groups in the South Bay area. Consult the newsletter for more information as the year progresses. Attending these conferences may count towards your Parent-Training requirement.

10. ACCEPTANCE AND DISMISSAL STANDARDS

Coastal Academy is a membership organization, therefore, Coastal has set forth acceptance and dismissal standards for legal purposes.

10.1 ACCEPTANCE STANDARDS

- Must have a good understanding of what homeschooling requires and can articulate their goals and purposes.
- Must have begun to plan for the homeschooling process.
- Husband and wife in agreement on homeschooling their family.
- Is in regular attendance with a local Christian church as verified by the Pastor's letter.
- Is in agreement with Coastal Academy's Statement of Faith.
- Demonstrates a basic cohesiveness and functionality of family structure.
- Is in agreement with the philosophy and procedures of Coastal Academy.
- Has a willingness to help if involved in Academy Day.
- Application forms completed and approved. (See 11.2)
- Interview completed.
- Accepted and approved by the Coastal Academy Board of Directors.

10.2 DISMISSAL STANDARDS

Grounds for Dismissal are:

- Unwillingness or inability to teach or abdicates teaching responsibility.
- Incomplete and/or late academic records over six weeks past due.
- Refusing to submit to Leadership of Coastal Academy.
- Failing to submit to written or verbal policies, as set by the Coastal Academy Board of Directors.
- Violating Coastal Academy Handbook policies.
- Purposefully causing dissension or disunity among Coastal Academy members either through gossip, slander, libel, or any other form of subterfuge.
- Failing to go through proper channels with complaints, ideas, suggestions, or events.

- Failing to go through proper channels to carry out Coastal Academy procedures.
- Not obtaining permission for changes, events or communications that would affect Coastal Academy.
- Violating the privacy or confidentiality of Coastal Academy members. All school records, mail, financial information, directory information, and email addresses are considered personal and private.

- Written warning from the Director and Coastal Academy Board of Directors.
- Appeal and review process by Coastal Academy Board with the purpose of restoration of family.
- Written Dismissal letter.

10.4 MEMBERSHIP AGREEMENT

Coastal Academy is a Christian Private School Satellite Program, which provides support to Christian homeschooling families.

Educational Philosophy:

1. Parents Responsibilities: We believe God in His Word has given us the responsibility and authority to educate our children in a Godly manner. (Colossians 3:17, Deuteronomy 6:6-8, 11:18-21, Proverbs 22:6, Psalms 1:1-2, Colossians 2:8, and Luke 6:40)
2. Children's maturity and learning readiness: We recognize children mature at different rates and should be taught according to their maturity level and learning readiness. However, we believe God holds us responsible to educate our children in an orderly and systematic fashion. (Deuteronomy 6:6-8)
3. God centered: We refute humanistic thought and actively teach God as the Creator of the Universe and adherence to Godly morals and principles of life.

In order to maintain the integrity of Coastal Academy the following basic guidelines for membership in Coastal Academy have been established:

1. Agree with Coastal Academy's Statement of Faith.
2. Regular attendance with a local Christian church.

3. Agree to represent Coastal Academy only as stated in its scope and purpose, that of being a Christian Private School Satellite Program and a Christian homeschool support group.
4. Agree to adhere to the policies of Coastal Academy as outlined in the Handbook, and Standing Rules, Code of Conduct, and Discipline Policy.
5. All activities, projects, literature, or programs sponsored by Coastal Academy and advertised through the newsletter are to be consistent with the scope and purpose of Coastal Academy & pre-approved by the Board of Directors.
6. Each individual member solely determines the degree of participation in activities available through and for members of Coastal Academy.
7. Agree to meet financial obligations and record keeping responsibilities in a timely manner, as outlined in the Coastal Academy Handbook.

11. ENROLLMENT PROCEDURES AND FORMS

11.1 ENTRANCE INTERVIEW

Parents of students enrolling in Coastal Academy for the first time must schedule an appointment for an interview with the Academy Director. All required forms should be submitted at this time. The Director will also be available during the year for any questions or counseling needs you might have as you conduct your homeschool.

11.2 APPLICATION AND ENROLLMENT FORMS

To enroll in Coastal Academy, the following forms must be submitted in order to complete the enrollment process. The Statement of Faith and Educational Philosophy form the common ground upon which all parents in Coastal Academy approach their commitment to Jesus Christ and to the education of their children.

- Admission Application: To be filled out completely for each child being enrolled.
- The following forms are included in the Admission Policy and Liability Forms packet:
 - Membership Agreement: Each family is asked to sign the Membership Agreement at the beginning of each school year, as expressed in this Handbook.
 - Code of Conduct: Each family is asked to sign the Code of Conduct as expressed in this Handbook.
 - Discipline Policy: Each family is asked to sign the Coastal policy of discipline as expressed in this Handbook.
 - Educational Philosophy: Each family must sign one.
 - Liability Release: Each family must sign one.
 - Statement of Faith: Each family must sign one.
 - Background Check: Each adult joining Coastal Academy whether for Record Keeping or the Academy Day program must fill out and sign this form each year.
 - Educational Background of Teacher: Each family must complete one.
 - IEP Policy Form: It is the parents' responsibility to inform Coastal Academy if any of their children are working two or more years below their grade level in any subject. Parents not meeting their child's special needs could be charged with educational neglect.
- Church Verification Letter: Coastal Academy requires each of its enrolled families to be regularly involved in the ministry of a local church. This form letter from your pastor verifies such involvement.

- Home School Legal Defense Association (HSLDA) Application Form: Each family enrolled in Coastal Academy must be covered by the legal insurance provided by HSLDA. Proof of current enrollment with HSLDA must be provided annually.
- Medical Release: One for each child must be on file. Updates to this form should be submitted to the office.
- Birth Certificate: A copy for each student must be on file.
- Health Examination Form: This State-required form documents the fact that your new student has had a health examination before entry into the first grade. This form, which includes an immunization record, must be filled out for children who turn six years old on or before September 1st of the current year of enrollment.
- Vaccinations: Since the passage of SB277 the Personal Belief exemption no longer exists, however, students are no longer required to have vaccinations if attending a home-based private school. Coastal Academy will continue to maintain the required Blue cards within the student files for state auditing purposes. For any students not vaccinated, the blue cards will be left blank and families should submit Coastal's Vaccine Exemption Form.
- TB Risk Assessment: The official California School Employee Tuberculosis (TB) Risk Assessment Questionnaire must be on file for each parent involved in the Academy Day program. TB Risk Assessments are valid for 4 years. Chest x-rays or a Q-Gold blood draw may be submitted as a substitute.
- 1st-8th Grade Course of Study: Your intended Course of Study for the year will demonstrate that you have given serious thought to planning your child's education for the coming year. Your plan should take into consideration the subject areas listed in the Educational Philosophy statement above. The information on this form should include the names and publishers of all textbooks, all other curriculum to be used, grade level of each curriculum used in each subject, and a general description of topics to be covered in each subject. The Record Keeper will review your Course of Study and may make suggestions for revision before approval.
- 9th-12th Grade Course Description/Grading Standard: On this form, you will list what is being studied and textbooks or other educational materials being used in addition to the basis upon which the student's grade will be determined. Each course subject requires a separate form. The High School Advisor will review your forms and may make suggestions for revision before approval.
- 6th-12th Grade Student Code of Conduct: While parents are responsible for teaching their children to follow the Coastal Code of Conduct, we feel that students in 6th-12th grade should accept responsibility for their own actions. They must sign the Student Code of Conduct to acknowledge their willingness to abide by our rules.
- Authorization for Transfer of School Records: As a private school, Coastal Academy holds the cumulative file containing the academic records of each enrolled student. This form, submitted by Coastal Academy for new students previously enrolled in another school, authorizes the transfer of academic records from the previous school. It must be signed by both parents and returned to the Academy Director.
- Reporting Commitment: Using this form, families commit themselves to submit the reports required for the upkeep of their child's cumulative academic file. Failure to do so is grounds for dismissal. This form must be signed and submitted at Back to School night.

11.3 MEGAN'S LAW POLICY

Coastal Academy does not include registered sex offenders in its program. This policy is necessary because the nature of our program requires parents of enrolled students to have regular contact with children and Coastal does not have sufficient staff to be present during every contact. Also, the family-centered nature of our program means that activities may take place in the homes of its members and that close relationships develop outside of our program. Therefore, all members and applicants are

checked through the Megan's Law website. Any person listed on that website will not be permitted to be a part of the organization.

11.4 FAMILY PRIVACY POLICY

If contacted by any government agency (ie. DCFS, CPS etc.), Coastal Academy will not provide any information regarding our families without prior documented permission by the family.

12. FEES

12.1 PAYMENT INFORMATION

Registration for Coastal Academy takes place at Back to School Night. All enrollment forms are due on or before that time, along with any monthly or annual fees.

Monthly payments are due on the first Academy Day of each month, during the ten months from September through June. All fees are payable while enrollment continues, regardless of student participation.

Tuition is only accepted in the form of cash, checks, credit cards or money orders made payable to Coastal Academy. Invoices will be sent via email.

A service charge in the amount of \$35.00 per check, will be charged for any returned items. After two returned checks in any six-month period, tuition may only be paid in the form of a money order, cash, or credit card.

Fees are subject to change without notice.

Membership in HSLDA is required for enrollment in Coastal Academy.

Families who enroll after the school year has begun must pay enrollment fees, HSLDA fee (if not currently a member), and first month's tuition at the entrance interview.

* California Compulsory Education Code 48200 does not require children to be enrolled in school until the year they are age six before September 1st. Therefore, Coastal Academy does not request records or charge enrollment fees for 5-year-old children enrolled in our Academy Day program as Kindergarten students. They are considered "New Enrollments" when they enter our elementary program.

12.3 OVERDUE TUITION

All overdue tuition must be paid by July 15th, before a student will be allowed to enroll for the next school year. Registration packets will not be released until all fees are paid from the previous year.

Tuition payments are due the first Friday of the month. If it is not received within 15 days, an automatic late fee will be charged (waived only by written request and Board approval). During the school year, tuition must not be more than 45 days overdue at one time. If you have a hardship case or unusual circumstances exist at the time, please submit it in writing to the Director or Treasurer. The Board will review hardship cases on an individual basis.

Overdue notices will be sent as scheduled:

15 days overdue: 1st notice. Late fees will begin being assessed at \$10.00 per month if not paid by the second Academy Day of the Month.

30 days overdue: Final notice. Not eligible for Academy Day classes, but may continue Record Keeping

45 days overdue: Dismissal. If no attempt is made to resolve the overdue tuition, then the family will be released from the Academy, even from Record Keeping.

12.4 OVERDUE RECORDS

Academic records not received by the due date are considered overdue and will be assessed a \$5.00 per document late fee. Academic records include 1st-8th grade Report Card, 1st-8th grade Progress Report, 1st-8th grade Course of Study, High School Planning Worksheet, High School Semester Transcript, High School Attendance Record, and High School Course Description/Grading Standard forms. Other school paperwork must be turned in on required due dates but will not be subject to late fees.

15 days overdue: 1st notice.

30 days overdue: Final Notice.

45 days overdue: Dismissal.
